OUR QUARTERLY NEWSLETTER

Welcome to our Agency Quarterly Newsletter. “The Eye” is our newest addition in 2018 to provide you with pertinent information regarding our products and services as well as helpful information that relates to insurance, loss prevention, discounts and getting to know our Agency family.

You will be able to find past issues archived on our website. This is a new venture for us. We need your feedback. If you have any comments or suggestions for us please send us an email or give us a call or if you want it to remain anonymous you can send it in a blank envelope through the postal service. All of our contact information is on the back page and will remain there in each quarterly issue so you know how to reach us.

WE ARE IN THE COMMUNITY

Odell Insurance Agency and Co-operative Insurance Companies award a 2018 Community Grant to The Space On Main to help cover the costs of converting a much loved space on Main Street in Bradford, Vermont that once held a “five and dime” store into a modern multipurpose community facility providing rooms of varying sizes and purposes designed to host co-working (office sharing), community networking events, hands-on Maker projects, conferences, meetings, training programs and social events, as well as various educational classes.

The Space On Main received a \$500 gift from Odell Insurance Agency and is matched by Co-operative Insurance Companies. The gift, awarded as part of Co-op’s Community Grants program, will be used to help

cover the costs of outfitting the roughly 7,000 square foot space.

“People move here for quality of life but often feel they need to make career sacrifices to do so. They feel disconnected, with a lack of community networking opportunities. “The Space” is designed to address these needs, fill our Main Street gap, and weave a network of partnerships throughout the region,” said Monique, President and Founder of The Space On Main. “This is why this gift is important to us.”

“Groups like The Space On Main are meeting needs in the same communities that Co-op serves,” said Brad Fortier, Co-op’s Executive Vice President. “We think it’s important to do our part as neighbors to help them out, and this grant program is one more way we can do that.” The Space on Main was one of 11 to receive a Community Grant from Co-operative Insurance Companies this year.

DID YOU KNOW??

Did you know that as our valued client, you can purchase fire extinguishers for your home, farm or business right here at our office? We sell a variety of sizes including 5 pound ABC and 10 pound ABC and can custom order as well. They come with a wall mount and instruction brochure. You can also order tractor mounts and smaller sizes too. They are sold to you at our wholesale cost and if necessary we can deliver them to you.

We care about your safety and hope you will take advantage of this offer if you are in need of a new fire extinguisher for your home, garage, shed, barn, tractors, heavy equipment or business.

In addition, periodically we hold a community fire extinguisher event where anyone can turn in old extinguishers that are no longer usable. You can have them inspected by an expert and can purchase replacements. There is also a real fire simulator that you can experience hands on what it's like to put out a fire properly using an extinguisher. (I'll give you a hint; it's called the PASS system!).

Co-op Insurance and Odell Insurance have also partnered with Fire Protec in an effort to educate our clients and protect each property as best we can. Fire Pro-Tec will come to your home, farm or business and perform an assessment free of charge and make recommendations on replacement of old extinguishers, location of new ones and recommend sizes as well.

LIVE CHAT FEATURE

In today's age of multitasking, it's okay if you don't want to pick up the phone and call us. We are here for you during business hours on our computers too! All you have to do is go to our website www.odellinsurance.com and click on the Live Chat button on the right side. One of us is here to answer the chat and can instantly respond to your question without even saying a word. If it's after hours it will leave us a message to respond back to you at the next business day. Give it a try today!
